## **WEEKLY WORDS**

### **Come See About Me**

Yep, just as the title goes as the Supremes sang back in the day, you need to come see what will unfold at the Golden Age Banquet this year. The Music of Motown will come alive and take you back to the thrilling days of yesteryear. However, you must sign up in order to come, because we have to make food preparations.

Whether you are an attendee, or entertainer/helper, we need everyone to sign up. I believe I have all the entertainers lined up with songs, but the attendees can still sign up through Sunday, February 4. Punch your ticket, book your spot, because this is a show you don't want to miss.

⇒ And yes, Brother Rex, I've heard Aretha Franklin is going to make an appearance!

Brotherly,
